Parental Engagement Week

Dear parents/carers,

After a very successful previous parental engagement week at Sacred Heart, we would like to give you the opportunity to come to school and join us in our 'Learning Together' classroom sessions, week beginning **11th November 2019**. Each class will hold a regular learning together session lasting approximately 30 minutes. This will focus on "Developing language and vocabulary" an area of your children's learning that we are targeting this year in our whole school development plan.

The 'learning together' sessions are a fantastic opportunity for you to get hands on and to find out what new skills your child is learning. It enables you both to work through exciting challenges together depending on your child's year group.

Please see the timetable below and join us in your child's year group session.
