Sixth Sunday of Ordinary Time (A)

I cannot believe we have reached the half-way point of the year already! This half term has been filled with exciting experiences and high-level challenge learning. The effort the children have applied to their work has been very, very high and the children are now really seeing the reward for this. I would like to thank all the families associated with Sacred Heart for supporting the events we have held this half term including, the farmhouse breakfast, many sporting activities and school trips. I hope that you all have an enjoyable break and come back ready to continue the hard work!

Christ Jesus, help us to be like you in all that we do. May we always care for other people, especially those who are poor or sick. Amen

Mr Cooper
Headteacher

Weekly Attendance

Congratulations to Year 3 for achieving 99.4% attendance this week - excellent! Our overall school attendance this week was a pleasing 97.3%. This means our school attendance this year is currently 96.2%.

Dance Show

After many months and even more hours of rehearsal, on Wednesday evening the children of Sacred Heart Dance Club took to the stage at The Cresset to perform in the first Primary Dance Festival of the year. The children performed outstandingly - even more impressive that it was a debut performance for many of the children! As always, their behaviour and support of other schools was commendable. Well done Dance Club - bring on the next performance!

FOSH News

Thank you to everyone who supported and helped out at the last disco. We raised an amazing £456.74. All monies raised by FOSH is spent directly on the children so we really appreciate all the support we are given.

Please look out for our **Mother's Day pop-up shop** which will be coming after half term. It will be a chance for children to buy a small gift for the special women in their lives for a charge of £3 per gift. All presents will be gift wrapped and the children will be able to add their own message on the tags provided.

After its success another disco has been put in the diary for May 2020.

Chaplaincy Team

On Monday 10th February 2020, our Chaplaincy Team lead the school for their monthly assembly. The theme they explored with everyone was that of generosity and they used St Francis of Assisi as an example of how people can be generous. They then set about seeing how we are all generous in school and in the world around us. The team did a great job once again and are now really enriching the spiritual life of the school.
