

Homework

This week in phonics we have been learning the phonemes 't' and 'p'. Please practice these at home.

Inside your child's book bag are the grapheme practice sheets for 't' and 'p'.

Below are the sayings for each grapheme to support your child with the letter formation.

t - "Down the teaspoon, under the teacup and across the top"

p - "Down the puppy's neck and leg, back up and around his head"

Please practice the Tricky

Words: "to" and "the"
