

Homework

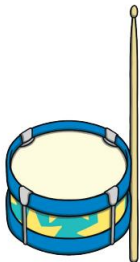

This week in phonics we have been learning the phonemes 'm' and 'd'. Please practice these at home.

Inside your child's book bag are the grapheme practice sheets for 'm' and 'd'.

Below are the sayings for each grapheme to support your child with the letter formation.

m - "Down the fork and over and over the meatballs"

d - "Around the drum, up and down the stick"

Please practice the Level 2 Tricky Words that were sent home last week.
